## "BROADEN IDEALS" SAYS EDUCATOR

State Historical Society COLUMBIA

INTEREST... BY DR. A. E. WINS... LAST N...

### PRAISES VITALIZED AG.

**Illustrates Progress Which Has Been Made in United States Since Civil War Days—New Ideas the Winners.**

Dr. A. E. Winship of Boston, Mass., noted educator, traveler and editor of the Journal of Education, one of the leading educational publications of the country, gave an interesting talk last night following a banquet given in his honor at the Bainum by the Board of Directors of the Commercial Club. In addition to the business men, a number of the faculty members of the State Teachers College were present to hear Dr. Winship's address.

Although Dr. Winship did not take any special subject for his talk last night, the address being merely an informal after dinner speech, he dwelt strongly on the idea of the newer things and methods in the world today, in comparison to the customs of the past.

He opened his talk with a description of the money and credit system of the United States during the time of the Civil war and during the past World war, and showed how the extension of the credit system has made possible the handling of the enormous amounts of money which have been used in the great struggle just finished.

Dr. Winship explained that during the period following the Civil war, the distrust of the people for the credit system, or system of money promises through the use of certificates and checks, brought about a severe tie-up of business and trade. He then showed how the times have progressed since that period, and how practically the entire bulk of business of the country is now handled through the credit system.

Dr. Winship stated that the progress which had been made in the money and exchange system of the United States is an indication of the development of the confidence of people in each other, and he said that this confidence which has brought about such wonderful results in business can also be used to bring about similar conditions in other things.

The speaker also urged the teaching of thrift to the school children today, as a means of establishing better conditions of community life. He showed how the opening of a bank account in any community acts as a stimulus to the business of every bank in that community, regardless of where the deposit is made.

Dr. Winship brought out strongly in his talk the great good which vitalized agriculture is doing, and complimented Nodaway county on the movement, which originated here and is spreading throughout the United States.

"You are the pioneers in one of the greatest educational movements in the world today," said Dr. Winship, addressing the local school leaders, "and the entire country is giving its attention to the vitalized agriculture scheme that," he went on, "I would prefer to call it 'vitalized every day life.' The world is coming to realize worth of 'vitalized' work in every phase of human activity, whether it be on the farm or in the city. Brains are the things that makes human progress, and the making of the simple objects, taught in the vitalized agriculture course in the rural schools here, is the big step in the newer education—the idea of a thought for every action. The day of sham and mock learning is over," he said, "and the world is now coming to look things squarely in the eye and take them for their actual worth."

Dr. Winship urged the great need for broad thinking men and women, and brought out the habit of many people in thinking only within a certain small sphere. He showed that the manner in which a man thinks is usually the manner in which he acts, and brought out that the person who thinks only of the smaller things of life is usually a narrow minded person, and accomplishes little of real imporatnce.

In closing his talk Dr. Winship urged that everyone give his attention to some of the really large things of life in addition to the small every day problems.

Dr. Winship left for St. Joseph this morning where he is scheduled to deliver the class day address at the Central High School in that city tonight.

## URGE BETTER ATTENDANCE AT RAND REHEARSALS

**Every Member of Organization Urged to Attend Meeting Next Monday Night—Plan for Concerts.**

The regular practice of the Maryville band held last night was not as well attended as Director Gsell wished it to be, and he announced today that the musicians of this city must show more interest in the work and attend the meetings more regularly if the organization is to be a success.

The next meeting of the band will be held Monday night at the Scout Headquarters over the office of Dr. Ryan on North Buchanan street, and the Director is especially desirous that every member be present. Arrangements will probably be made at this meeting for the regular weekly band concerts during the coming summer.

**Mrs. Turner Expected Home.**

Mrs. Martha E. Turner, who with her daughter, Mrs. Vernon L. Drain of Shelbyville, Mo., has been spending the winter in Tucson, Ariz., is expected home tonight. En route home they spent several weeks in Sayre, Okla., with Mrs. Turner's son, W. Ben Turner and family. Mrs. Drain will accompany her mother to Maryville.

## FINED $100,000 IN BREACH OF PROMISE SUIT

**Heart Rending Case Staged at State Teachers College—Judge "Dad" Scarlett on the Bench.**

Romance is dead—at least it is for Bonunkus Earl Bland, popular student of the State Teachers College, who was fined $100,000 and costs by Judge "Dad" Scarlett, in the Supreme Court of the Northwest Missouri Teachers College District yesterday afternoon, after he had been convicted on a breach of promise charge brought by Sara May Luella Mutz, one of the popular belles of the institution.

The case began several months ago when young Bland entered the college. Fresh from the country, with the happy, boyish spirit of the open life, he was an easy victim for the wiles of the fair young co-ed. The affair progressed and the date for the nuptials was set. But parallel with the knowledge gained from his books, Bland's wordly knowledge also progressed. Other fair sirens cast winning glances in his direction and he felt himself slipping—alas, he fell—and his first love—the girl of hs dreams was lost in the ever changing maze of femininity.

The story of Bland's fall was related yesterday before the court, and it is said that of the large assembly who had gathered to hear the proceedings, not a dry eye could be found when Judge Scarlett passed his sentence.

Helen Dean and Velma Appleby, two of the witnesses for the defense, broke down while relating their experiences on the stand, and it is said that a charge of perjury will be brought against Miss Dean for giving false testimony.

Fern Campbell and Claudine Woolen were the most damaging witnesses against the defendant, relating incident after incident where the young man had shown his desire to break his troth with Miss Mutts.

Attorneys Joe Ferguson and Mary Condon for the plaintiff, made masterful arguments why the jury should return a verdict of guilty against the defendant, although a heart touching talk was made by Attorneys Wiseman and Henderson in their final plea for leniency for their client.

The jury was composed of Mary Heifner, Mildred Shinabarger, Mrs. Eugene Bird, Miss Ward, Matie Evans, and Abbie Colden.

The entire proceedings were held under the direction of the Eurekan Literary Society of the State Teachers College.

## TO USE U. S. S. MISSOURI AS TARGET FOR NEWER SHIPS

**Ship Named for the Commonwealth of This State to be Relegated to the Scrap Heap—17 Years Service**

St. Louis, June 6.—The U. S. Battleship Missouri, named for the commonwealth of Missouri, which is relegated to the scrap heap, in all probability will eventually be used as a target for greater war vessels.

Announcement that the Missouri has been relieved of active duty has been received from Washington. The ship has seen seventeen years of service.

Built at Newport News, the Missouri was the pride of the navy when launched, December 28, 1901. She is 388 feet long, 72 feet wide and has a displacement of 12,500 tons. She has a speed of 15 to 18 knots and a complement of 40 officers and 739 men.

In 1915 the Missouri, as a training ship for Annapolis students, made a trip through the Panama Canal and had the distinction of being the first war vessel through the locks. Soon after she was put "in ordinary" which means being held in reserve with a skeleton crew aboard.

At the outbreak of the war she came out of the hospital, again painted in the somber colors of war and with a full crew. Throughout the period of danger she served as a coast guard ship.

Theo Robinson went to St. Joseph this morning.

## REDS AND FINNS IN BIG BATTLE

**FIGHTING ALONG ENTIRE FRONTIER OF FINLAND**

### RED LEADER EXECUTED

**Radicals Make Serious Threats—Situation Considered Most Critical.**

London, June 6.—Bolshevik troops launched a furious night battle against the Finnish troops along the whole frontier of Finland said a News Agency dispatch from Helsingfors today.

In retaliation on the fortress of Kronstadt, one of the defenses of Petrograd, bombarded by General Denekine the anti-Bolshevik forces on the Ural front are reported to have advanced fifty miles on a twenty mile front in their latest burst of fighting in that sector.

Geneva, June 6.—Her Levine, a leader of the Bavarian Bolsheviki, has been executed following a trial by court martial at Munich said a dispatch from the Bavarian capital today. Levine was the head and front of the recent red revolt in Munich. The radical Berlin newspaper, Frei Eit, threatened a general strike at Munich, Nurmberg and Leipzig, if the death sentence was carried out and the Berlin Socialist organ, Vorwarts, views the situation as being the most critical thus far. There is considerable excitement over the next move of Herr Noske, minister of Public Defense.

## HUNTSMEN BAG TWO BABY WOLVES AT MYRTLE TREE

**"Uncle Star" Carmichael, 82, Leads the Local Sportsmen in Exciting Event—$20 for Pelts.**

Starling Carmichael is 82 years old, but that did not prevent him from going on the big wolf hunt held yesterday in the neighborhood of Myrtle Tree and there is not a man who was on that memorial party who will not admit that "Uncle Star" was there with the life and pep as much as any of the younger men in the crowd.

Among the men from this city who went on the hunt yesterday were Sheriff John Dowden, J. J. Heffner, James Robinson, Jr., and Homer Brown. Although they did not return with the old gray wolf, the capture of which was the primary object of the hunt, they got two young wolves, the pelts of which are now on exhibition in Sheriff Dowden's office in the court house.

Fifteen dogs were used in the hunt and it was estimated by the huntsmen that over 100 miles were covered by the animals during the chase.

One of the admirable features of the hunt was the big dinner served at the Albert Dowden farm. The menu including all the delicacies of the season from strawberries to pie a la mode.

Sheriff Dowden stated that a bonus of $20 will be paid for each of the pelts $10 to come from the state and $10 from the government.

Another hunt is planned for next Monday evening.

**Favors German Signing.**

London, June 6.—Dr. Mathin Sraberger, head of the German Armistice Commission, is now advocating the signing of the Treaty of Peace said an Exchange Telegraph dispatch from Berlin today, quoting the Deutsche Tageszeitung Daeb. Previous advice characterized Ezberger as being opposed to signing.

**County Teachers Examinations.**

The annual county teachers examination for the teacher's certificate of Nodaway county is being held today at the Maryville High school, under the direction of County Superintendent of School Bert Cooper.

Over 100 county teachers are taking the examinations which will be concluded tomorrow afternoon.

**John L. Trapp Dead.**

John L. Trapp, about 70 years old, an old resident of Skidmore, died at 6 o'clock yesterday evening at his home there. Surviving him are his wife and seven children, five daughters and two sons. Funeral arrangements will not be completed until word is received from relatives in California.

Miss Martha Helpley was a St. Joseph visitor today.

## UNREST IN UKRANIA BRINGS ABOUT A GENERAL REVOLT

**Feeling Intensified by Defeat at Hands of Poles—Negotiate for Armistice.**

Copenhagen, June 6.—The whole of Ukrania is aflame with a revolt, according to information received today. There has been deep unrest in Ukrania for some time, and it was intensified when the Poles invaded the country, defeating the Ukranians in a series of battles.

Copenhagen, June 6.—The Ukranian delegation arrived at Lemberg to negotiate for an armistice with the Poles, it was reported from Lemberg today.

## 25 MISSOURI COUNTIES APPLY FOR HARD ROADS

**Up to Date no Applications Received for "Dirt" Construction—Tendency Toward Permanent Roads.**

Jefferson City, June 6.—Approximately twenty-five counties have applications on file with the State Highway Board for the construction of hard roads under the provisions of the McCullough-Morgan law.

The outstanding feature is that up to date not a single application has been received for constructing a "dirt" or graded road.

This information has been secured from Secretary John R. Malang of the board and Alexander Graham, state highway engineer.

All the tendency out in the State, as indicated by the counties that have made application for state aid, is for the hard surfaced road in preference to the graded roads.

Officials of the State Highway Board declared that throughout the state there is a tremendous and growing interest in building permanent roads.

They cite the case of Monroe county which a year ago would not listen to a hard road proposition. That county not only now has several hard surfaced road plans, but contemplates a bond issue of $1,000,000 to build them clear through the county in various directions.

Putnam and Knox counties, in which live the authors of the new road law, are to build permanent roads extensively to the exclusion of the graded road.

It is the preference expressed by the counties for the hard surfaced roads that will be the saving to the McCullough-Morgan law, those who opposed it admit.

Both friends and critics agree that a road law of any kind could not have become effective at a more opportune time than the successor to the Hawes law, as the thought of the people of the state reverted from war to the problem of securing permanent highways.

Details of the various hard surfaced road plans that have been filed will not be available for some days yet. From information received here there are numerous other projects being formed in counties that have not yet filed application with the State Highway Board.

**File Partition Suit Today.**

A suit in partition was filed with the Circuit Clerk this morning by Nellie Herbert, et al, against Hattie Strawn and Burtis Butler, in which a piece of property at Hopkins is asked to be divided equally among the above parties, all of whom are co-beneficiaries of the estate.

**Fred Wright in Elmo.**

Fred Wright, deputy county clerk, is in Elmo today for the purpose of making assessments on the various business houses of that place.

**Road Bonds for Independence.**

A special session of the County Court has been called for tomorrow morning to take up the matter of a road bonds issue in Independence township. The amount of the issue will be decided by the court.

Miss Fern Campbell returned yesterday from a visit in Barnard with her parents.

**Bulgarians March on Serbia.**

Copenhagen, June 6.—Part of the Bulgarian army has been mobilized and is marching on Serbia according to a dispatch put out by the Balkan telegraph agency today.

**Postpone K. of C. Picnic.**

The annual picnic of the Knights of Columbus which was scheduled to take place next Sunday at Parnell has been postponed until the following Sunday, June 15, at the same place.

The bad condition of the roads is given as the cause of the postponment.

**PREPARE FOR WIRE STRIKE.**

Washington, June 6.—Plans for a nation wide strike of the telegraphers will be perfected in a conference of the Union officials in Chicago tomorrow. S. J. Konenkamp, international president of the Commercial telegraph union, announced today.

**WEATHER FOR TODAY**

Partly cloudy, somewhat unsettled and not much change in temperature Thursday and Friday.

## THEAHERS' OPPORTUNITY OFFERED AT MISSOURI U.

**Eight Weeks' Instruction Course Is Offered for Summer Months—May Obtain 8 Hours' Credit.**

Columbia, Mo., June 6.—Many teachers of the State are expected to take advantage of the opportunity offered at the University of Missouri for eight weeks of instruction during the summer months. The second half of the new spring and summer term at the University will open June 19 and will continue until August 15. Eight hours credit may be obtained in the University in those eight weeks.

The all-year calendar at the University, which separates the year into three terms of sixteen weeks each and keeps the institution open the whole year, has made possible this new plan of special service to the teachers of the State.

Don't expect to get through a hot summer of hard work without a sick spell, if you start with your system full of impurities. To avoid a break-down in the busy season begin now taking Prickly Ash Bitters, the remedy for men. It will purify the blood, liver and bowels and put the system in a healthy condition. ## 40 Years Ago Today

The following items are taken from the Nodaway Democrat of Thursday, June 5, 1879:

(This will probably recall some romances.)

The following of our young folks went out to Mozingo lake on a fishing excursion one day last week: Ed Townsend and Mary Andrews; Joe Johnson and Chloe Lieber; Wilmer Jackson and Mary Lieber; E. Howendobler and Minerva Stinson; William George and Mollie Siebert; James Andrews and Etta Carroll; John O'Reilly and Sallie Chamberlain; Charlie McMacken and Clara Holm.

Fayette Cook, of Hughes township, called upon us on Monday. He is of the opinion that if the C. B. & Q. branch does not push on down to his part of the country, the narrow gauge will be built. He says the citizens there will extend generous help.

W. E. Trueblood kindly furnished us with an account of the reunion of soldiers at Bedford on Friday. A company of some fifty attended from this place, and all say they had a good time.

J. B. Peters, of Hughes township, favored us with a call a few days ago. A fine boy made its appearance at his house on May 25, and of course J. B. is happy.

Percy Huston, of Marshall, Saline County, Missouri, was in the city visiting last week, the guest of his brother-in-law, Woodson Smith. Mr. Huston is cashier of his father's bank at Marshall and is a young man of fine business qualifications.

Sam Conley, who lives four miles west of Barnard, spent a few moments in our office Monday. He was lucky enough to escape the severest of the severe storm that passed through that part of the county on last Thursday.

Dr. Bush, a prominent citizen of Pennsylvania, and the brother-in-law of Mr. P. E. Sellers, is on a visit to our city and will remain some two weeks.

I. N. Castillo, of Lincoln township, was in Tuesday. The rain of last week, he said, will help out the wheat, but he does not expect a good wheat crop. Corn looks fine.

### EMPLOYMENT SERVICE PLACING MANY WOMEN

Washington, June 6.—Facilities for handling women's work have been developed by the United States Employment Service as rapidly as work for men. A comparison of census and Employment Service figures indicates that 22 per cent of all employers' calls and 15 per cent of all applications are from women. Thirty-three per cent of the Employment Service offices handle women's work, and officials of the service estimate that 22 per cent of all persons engaged in gainful occupations in the United States are women. A compliment to woman's efficiency is implied in the fact that of 150 letters of complaint against policies, offices or employes, only two related to women's work.

The necessity of service for women workers has been recognized by the Employment Service since its inception in 1914. Today, 22 per cent of the "help wanted" calls and 15 per cent of all applications received by the service come through the women's divisions.

### Pickering Christian Church.

The attendance at both the Bible School and preaching service was all that we could expect with the bad roads, last Sunday morning, but in the evening our "Children's Day" exercises were "rained out", and postponed for two weeks. We are hoping that with favorable weather we shall have a large attendance at the Bible School next Sunday morning, and then we are sure to have a good audience at the preaching services, as we are glad to say nearly everybody stays. The theme for the morning sermon will be "Gravitation." Evening, "Perfection."

W. A. CHAPMAN,
Pastor.

Mrs. Laura Thrailkill, district manager of the Woodmen Circle, came last night to spend a few days.

## WABASH R.R. TO PUT ON A "NO ACCIDENT" WEEK

**June 22-29 to Be Devoted to the Prevention of Accidents—Employes Show Interest in Plan.**

SAFETY PAYS is the conclusion of employees as well as Fred Meyers, Superintendent of Safety, Wabash railroad.

A striking example of effective, well organized and active safety work is illustrated in the following reports from the Wabash railroad.

For the first three months 1919 compared with corresponding period 1918 there were 13 fewer killed and 169 fewer injured. The Safety Section of the United States Railroad Administration makes the following statement: Reports from 164 roads out of 186 reporting to the Safety Section for January and February 1919 show 340 fewer killed and 5,953 fewer injured than during corresponding period 1918. At this rate the Safety Departments hope to reduce the annual toll of fatalities very materially with a corresponding prevention of maiming and disabling accidents.

This remarkable showing has awakened the railroad employee to the great opportunity and possibility of accident prevention and the conservation of human life. Beginning June 22 and until June 29 the Wabash railroad and 40 other large railroads comprising approximately 100,000 miles and 600,000 employees will put on a Safety campaign designated as NO ACCIDENT WEEK.

The railroad employees of these lines during this seven day period will intensify safety work by putting forth extraordinary care and forethought to prevent accidents and will endeavor to go thru the entire week without a single avoidable accident.

The employees at this early date are evincing great enthusiasm and a keen interest in organizing special safety committees and holding of numerous meetings and by all possible means giving the matter as much publicity as possible. Each employee is asked to pledge himself to co-operate and to use his best efforts to keep from getting injured himself or being the cause of any other person sustaining any injury and have already served notice on the other lines that they are in the game to win and will celebrate the eradication of old man carelessness from their ranks. It is estimated that about 90 per cent of all accidents are due to carelessness, thoughtlessness and ignorance and are preventable.

### COUNTRY'S EXPORTS SET NEW RECORD IN APRIL.

Washington, D. C.—America's exports during April set a new record, amounting to $715,000,000, an increase of nearly $100,000,000 over January, the previous high mark. For the same month, the imports were $273,000,000, a decrease of $6,000,000 under the same month of last year.

The trade balance in favor of the United States was $442,000,000 for April, and for ten months ending with April was $3,231,000,000. Exports for the ten months were a little more than $5,500,000,000 and the imports approximately $2,500,000,000.

A marriage license has been issued in St. Joseph to Samuel R. Lincoln of Hopkins and Miss Nora Stark of Sparks, Mo.

Though my hands have not learned to model
The dreams of a groping mind,
Though my lips have not spoken their music
And are leaving no songs behind,
Think not that my life has been futile,
Nor grieve for an unsaid word
For all that my lips might ever sing,
My singing heart has heard.

I have etched the light on a willow
With neither a plate nor style,
I have made a song of the crescent moon,
A poem of only a smile.
Are they less because lips could not know them,
These songs that my heart has known;
Am I wholly mute who have sung with my heart,
And sung with my heart alone?

—Francis F. Hogan, Corporal, 4th U. S. Infantry, in the New Republic.

**Omaha Guest.**

Frank Collins of Omaha, Neb., was a dinner guest of Miss Josie Stundon yesterday.

**Montgomery Dinner.**

Mr. and Mrs. Bruce Montgomery entertained at six o'clock dinner last night at their home on West Third street in compliment to Rev. and Mrs. W. C. Ferguson and son, Fred.

**Woodmen Circle.**

The Woodmen Circle meets at 8 o'clock tonight in Woodmen Hall. There will be special business and all members are asked to attend.

**Dinner Guests.**

Mrs. Herman Clarkson and children of Macon, Mo., were guests at a dinner given yesterday by Mr. and Mrs. Lewis White at their home, northwest of Maryville. Mrs. Clarkson and children are spending a week at the home of Mr. and Mrs. O. L. Holmes.

**High Five Party.**

Mrs. John Shonley and daughter, Miss Katherine Shonley, entertained with a high five party last night at their home on East First street. Miss Della Grems won the prize. Baskets and vases of roses centered the tables. The guests were Mrs. Richard Kuchs, Mrs. Eldon Irwin, Mrs. J. M. Conley, Mrs. F. P. Reuillard, Mrs. Frank White, Misses Lenore and Rose Schumacher, Della and Kitty Grems, Marie Reuillard, Hilda Lahr and Theresa Shonley.

**I. I. Club.**

The I. I. Club met yesterday afternoon at the home of Mrs. John Deardorff. Refreshments were served by the hostess. The members present were Mrs. Mary Wagner and daughter, Katherine; Mrs. Lon Hughes and son, Robert; Mrs. Brice Hall, Mrs. Andrew Fink, Mrs. Clint Adams, Mrs. Claude Shell and children, Miss Lyda Onstott, Mrs. Ed Gingrich and sons, Miss Jennie Duncan, Mrs. Mayme Taylor, Mrs. Ellis Shell, Mrs. Joseph Cockayne, and Mrs. C. J. Duncan. The next meeting, June 18, will be held at the home of Mrs. Andrew Fink.

**Mrs. Hood Hostess.**

Mrs. Lester Hood was hostess to the Bowery W. W. W. Club Wednesday afternoon. The time was spent in music, games and composing poems, many of which were entitled, "Rainy days in June." The club had for its guests, Mrs. Gordon Swinford and baby and Mrs. Ernest Swinford and baby daughter. The members present were Mrs. Shan McGuire, Mrs. Walter Runnels, Mrs. Parl Runnels, Mrs. James Clayton, Mrs. Irvin Loch, Mrs. Marion Rickard, Mrs. Will Noakes, Miss Anna Loch, Miss Nellie Roof, Mrs. Otis Casey, Mrs. Ab Simmons, Mrs. Stewart Robinson, Mrs. Dennis McGinness, Eldena, Loren and Lillian Runnels, Ralph Clayton, Maysel Rickard, Paul Loch, Maxine Simmons, Violet Robinson, Charline Hood, and the hostess. The affair planned for last Monday night was postponed until June 9. Mrs. Harve Cline will be the next hostess.

**Mission Circle No. 2.**

Mission Circle No. 2 of the Baptist church met with Mrs. W. A. White, 1122 North Main street, yesterday afternoon. Mrs. E. B. Woodard, chairman of the Circle, presided. Devotions were led by Mrs. W. A. Burris. Instrumental numbers were given by Miss Gladys Allen. A discussion and questions on the second chapter of the study book, "Women of the Orient," followed. An interesting letter from Miss Dane, a missionary in Burma, was read by Mrs. Woodard. Mrs. W. C. Ferguson discussed the topic, "Is Our Circle a Non-Conductor." Mrs. C. D. Nicholas read a letter from Miss Nora Finney, also in Burma, telling of the educational work of the children of that place. Mrs. Lewis White gave a reading from Kipling. Roll call was responded to with reasons for studying missions. The remainder of the time was spent socially.

**Mrs. Martin Hostess.**

Mrs. Vilas Martin was hostess to the Woman's Missionary Society of the Presbyterian church yesterday afternoon. Mrs. G. H. Colbert led the devotions. A feature of the program was a lecture-talk on South America by Mrs. Fred Harvey. She was assisted by Mrs. Colbert, who discussed the missionary phase of the subject. Miss Jessie Parcher talked about the Mexicans in the United States. Mrs. Norman Chamberlin, a new member, was received into the society. Following the program, there was a social hour in charge of a committee, Mrs. O. L. Holmes, Mrs. F. M. Martin and Mrs. Chas. Wadley.

**Maier-Kingery Wedding.**

The marriage of Miss Lela Louise Maier, daughter of Mr. and Mrs. L. L. Maier, and Alvin Blair Kingery of Burlington Junction took place at 4 o'clock yesterday afternoon at the home of the bride's parents. Rev. G. S. Cox, pastor of the First M. E. Church, performed the ceremony. The bride wore a tailored suit of midnight blue, with hat to match. After the ceremony a reception was held and refreshments, in which a pink and white color scheme prevailed were served. Garden flowers were used in decorating the rooms. The bride is a member of the 1918 graduating class of the Maryville high school. The guest list was limited to relatives of the bridal couple. Mr. and Mrs. Kingery will be at home in Burlington Junction after June 30.

**Tyson-Slattery.**

Miss Belle Tyson, daughter of Mr. and Mrs. Isaac Tyson and Henry Slattery were married yesterday at high noon at the home of the bride's parents, west of Skidmore. Rev. Lamont of Keokuk, Ia., an old friend of the family, officiated. Mr. and Mrs. Slattery will live in Clearmont, Wyo., the groom's home.

**SOLDIER CANDIDATES IN MISSOURI ENTER POLITICS.**

Kansas City, June 6.—The crop of prospective soldier candidates in Missouri already has begun to show. It is common gossip among the Missouri and even the Kansas men of the One Hundred and Thirty-ninth Infantry that Colonel Carl Ristine, the commander of that regiment, will be a candidate for the Republican nomination for Governor of Missouri.

Not to be outdone, Lieutenant-Colonel James E. Reiger, of the same regiment, is also said to be a candidate for the Democratic honors. Both officers made splendid war records, and are prominent otherwise, so the boys are betting their commanders will show a pair of clean heels to their opposition.

**CHANGES HIS NAME TO WED A WOMAN OF 62.**

Waukegan, Ill., June 6.—Would you change your name to marry a woman sixty-two years of age if you were a rather young fellow? Claude Bates, of this city, did. He became a suitor for the hand of Mrs. Charles Rohestock of Kenosha, Wis., whose husband died recently. But Mrs. Rohestock said she would not change her name in memory of her husband, so Bates went to Kenosha and had his name changed to Rohestock and married the woman.

**SIBERIAN PRISONERS MAY NOW WRITE HOME**

Thousands of German, Austrian, Hungarian, Turkish and Bulgarian prisoners of war held in Siberia have been placed in communication with their homes through the American Red Cross, it was announced at National Headquarters today.

Under international law all prisoners of war are entitled to communication with their families but because of the collapse of the postal system in Russia the Teuton soldiers captive in Siberia have in nearly all cases not heard from home in three years while for the same period their families have remained in ignorance of their fate.

In response to repeated appeals by the American Red Cross Commission to Siberia, working in cooperation with the Bureau of Prisoners' Relief, lists of the prisoners and messages from the prisoners have been obtained and transmitted. Such information is now regularly passing through Valdivostok.

Miss Matie Evans of Parnell, has been chosen as principal of the Burlington Junction school, at $95 per month.

## WOMEN FROM NORTH, SOUTH, EAST, WEST

Recommend Lydia E. Pinkham's Vegetable Compound as a Reliable Remedy for Woman's Ills.

Spokane, Wash.—"I want to recommend Lydia E. Pinkham's Vegetable Compound for women's ailments as it helped me so much during middle age."—Mrs. MARTHA CONNOR, 1027 Mansfield Avenue.

Abilene, Texas.—"For almost a year I was unfit to do my work as I suffered so from female ills. Lydia E. Pinkham's Vegetable Compound restored my health after physicians had failed."—Mrs. E. E. OWENS.

Rockville, Conn.—"I suffered so long from female ills I was blue and melancholy. Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed."—MARY WIRZ, 3 Chamberlain St.

Oakland, Cal.—"Lydia E. Pinkham's Vegetable Compound gave me such relief during Change of Life, I wish every woman could know about it. I surely praise this great remedy for women's ills."—Mrs. MARY S. ASHLEY, 5709 Dover Street.

The reason Lydia E. Pinkham's Vegetable Compound is so successful is because it contains the curative, strengthening properties of good old fashioned roots and herbs, which act directly on the female organism.

Now Is The Time to Get Rid of These Ugly Spots.

There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of Othine—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful, clear complexion.

Be sure to ask for the double strength Othine as this is sold under guarantee of money back if it fails to remove freckles.—Adv.

TREMENDOUS PRODUCTION OF TRACTORS THIS YEAR

Washington, June 6.—The Department of Agriculture estimates that 314,936 tractors will be produced in the United States during the present year. In 1918, the production was 132,697. At the end of 1917 there were only 15,525 tractors on hand in the United States.

The widespread use of the tractor on the farm, brought about by the shortage of farm labor, due to the fact that a million farmers and farm laborers were called into the military service, is responsible for this tremendous increase in the use of the tractor.

Despite the marked growth of the industry, Department of Agriculture, officials believe that it is just the beginning, but are unable to predict what will be its ultimate effect on farming. But that the trend is toward motorized farming is undeniably shown by the fact that motor trucks are being purchased by farmers in ever-increasing numbers. Impetus to the use of tractors on the farm will be given too, by the fact that thousands of young men called from the farms were trained in the use of motor vehicles during their army service, preparing them for the operation of motorized farm machinery.

SOLDIER MAY TRANSFER MONEY TO HOME BANKS

Washington, June 6.—The War Department, with the cooperation of the Red Cross and American Banker's Association has made an arrangement whereby soldiers on receiving final pay upon their discharge may deposit part of their funds at the camp and have it transferred to banks in their home towns. Local clearing houses will appoint agents to handle the funds and transfers will be free of charge.

Some of the men receive a considerable sum in pay and mileage and do not wish to take the risk of carrying the money on their person.

RAINBOW OMEN STAYS WITH YANKS THROUGH THE WAR.

Kansas City, June 6.—The famous Rainbow Division unit from Kansas City, the One Hundred and Seventeenth Field Signal Battalion, was followed by its good luck omen all the way from the organization of the unit, through the trip overseas, in many battles, back to America again, and even "home" after being discharged from the army. Both officers and men tell of seeing the rainbow before many victorious attacks. It appeared the day they landed in France and the day they landed in America. And it also appeared the day the boys came home to Kansas City from Camp Funston, where they had been discharged from the service.

ENROLLMENT OF NURSES SOUGHT BY RED CROSS

"Resources of the American Red Cross are being heavily taxed since the signing of the armistice to carry on relief work which must be done," says the last issue from National Headquarters, Washington, D. C.

In order to help meet the needs at home and overseas, the American Red Cross Department of Nursing is launching a campaign for the enrollment of nurses in the Red Cross nursing service According to the April report, ten new assignments were made in Ohio, Indiana and Kentucky.

## HAD SUFFERED FOR 30 YEARS HE SAID

Denver Man Declares Tanlac Has Helped Him More Than Any Other Medicine.

"Ever since I took that course of Tanlac I have felt better and stronger than I have in many years and it has done more for me than anything else I have ever taken," said J. W. Patterson, of 1359 Thirteenth street, Denver, Colo.

"For thirty years," he continued, "I suffered from catarrh of the nose and throat, and although I was operated on by a New York specialist at great expense I got only temporary relief. I just couldn't rest at all well at night and would get up in the mornings almost choking with mucus which nauseated me so I would often have to vomit. My stomach became affected so that everything I would eat soured and bloated me up with gas as tight as a drum. I was bilious, too, had terrible headaches and suffered somthing awful.

"I tried everything I could hear of but nothing helped me till I began taking Tanlac. It has relieved me of gas and every sign of indigestion and my stomach is in better condition than it has been in years. Tanlac has helped my catarrh wonderfully, it has calmed my nerves so I can get refreshing sleep at night and I am not troubled with that mucus or nausea any more."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burington Junction, Mo., and in Barnard, by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley; Ravenwood by C. A. Shunk. —Adv.

WORTH COUNTY FOR HARD SURFACE ROADS

Judson Declares People Favor $500,000 Bond Issue.

Hale D. Judson, district road engineer, returned yesterday from Worth county, where he attended a good roads meeting at Grant City Tuesday night. Much interest is being shown by the farmers and representative business men of the county in hard-surfaced roads. Judson explained the state and federal plan for assisting counties in building paved roads, aand all but one man favored voting road bonds.

"Worth county is not as large as other Missouri counties," Judson said, "but the land is fertile and the people are prosperous and have a progressive spirit. The county can vote $500,000 in road bonds, and those at the meeting declared their intention to push a special road bond election and would support the issuance of the entire amount possible."—St. Joseph Gazette.

## What Is Rheumatism? Why Suffer from It?

**Sufferers Should Realize That It Is a Blood Infection.**

Doubtless like other sufferers, you have often asked yourself this question, which continues to remain unanswered.

Science has proven that Rheumatism is caused by a germ in your blood, and the only way to reach it is by a remedy which eliminates and removes these little pain demons. This explains why liniments and lotions can do no permanent good, for they cannot possibly reach these germs, which infest your blood by the millions.

S. S. S. has been successfully used for Rheumatism for more than fifty years. Try it to-day, and you will find yourself at last on the right track to get rid of your Rheumatism. For treatment of your individual case address Chief Medical Adviser, Swift Specific Co., Dept. 43, Atlanta, Ga.
